

TEACHER HOLIDAY EDITION

FRUITS OF THE

Spirit

BY TEACHER, BE STILL

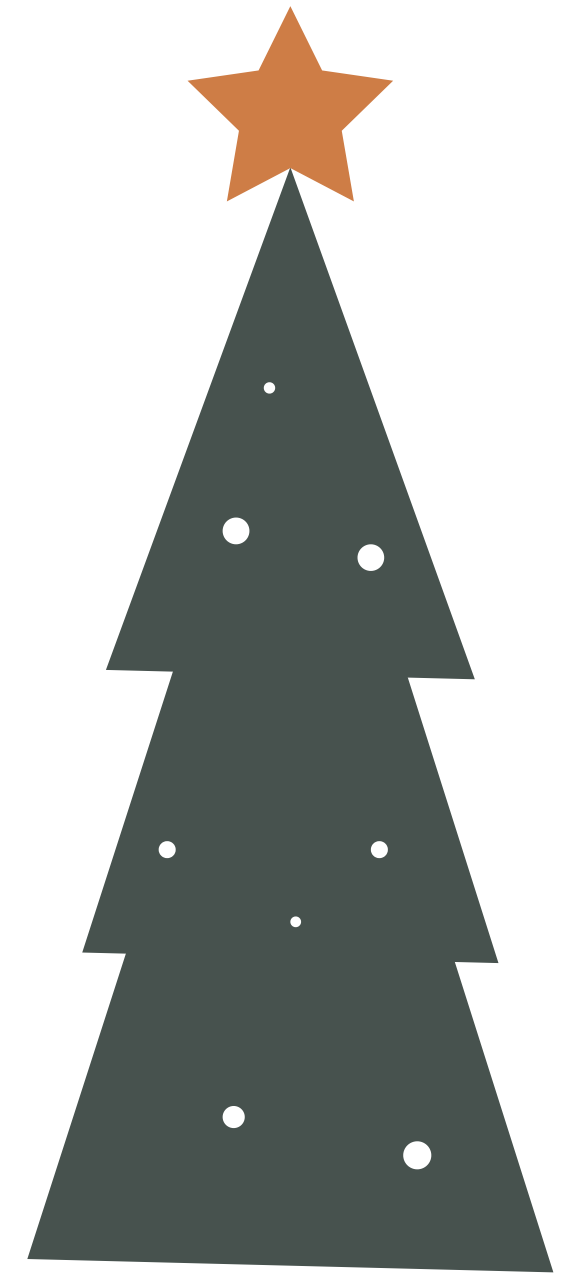

patience

Dear God, grant me an extra dose of patience these next few weeks. When I am frustrated, help me to find calm. When I feel wronged, help me to remember that in you I find refuge, in you I find acceptance. Help me to always remember the Grace that's been extended to me so that I may in turn extend it to others. In your precious Son's Name I pray . . . Amen.

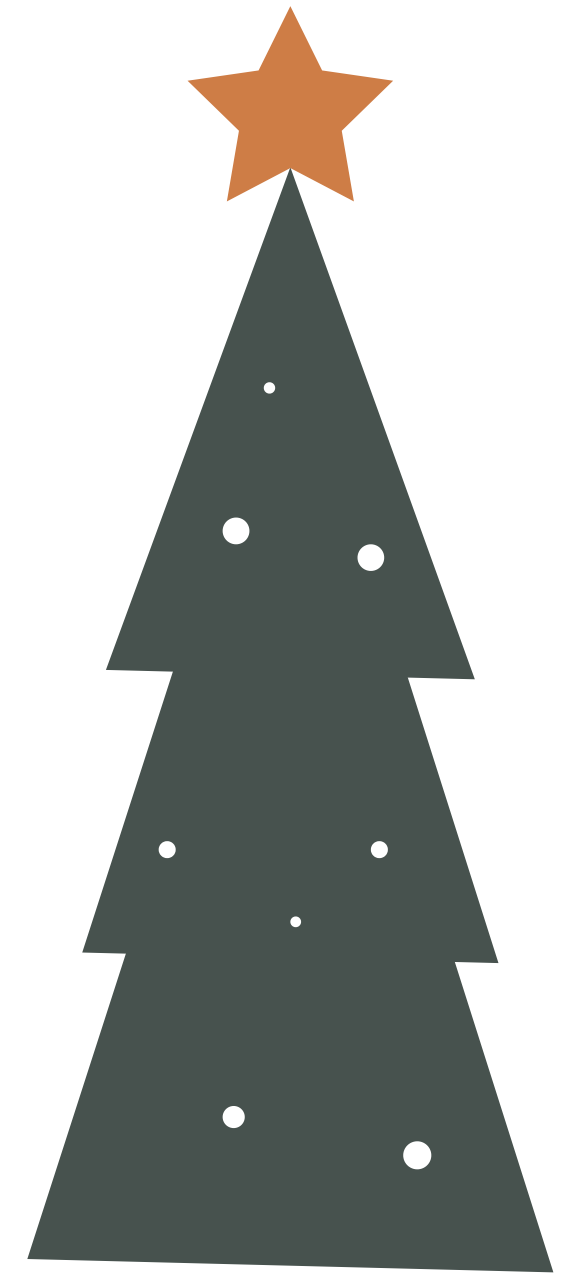

gentleness

Dear God, use me to be a conduit of love and hope to my students, coworkers, and family. When I feel frustrated, please humble me to handle the situation with gentleness. Fill me with your Spirit that I may act in a way that honors you and promotes peace around me. In your Son's Name . . .
Amen.

kindness

Use me, Father, to reach people for your Kingdom. Give me eyes to see hearts rather than just people. Soften my heart and help me to choose kind words that are straight from you. Guard my lips & make me aware of every word I use, that it may bring glory to you. In your Son's Name . . . Amen.

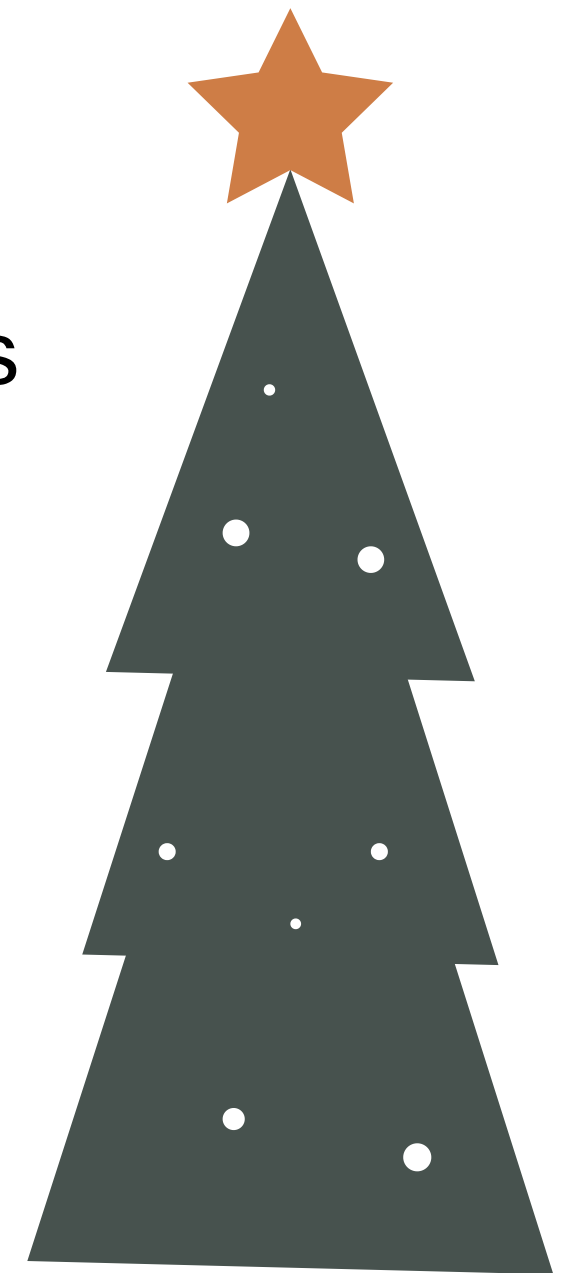

goodness

Dear Lord, fill me with your Goodness every day. Remind me to use it and put it out there so others may see You when they see me. Humble me in order to put others before myself. Point out the goodness around me and give me the courage to point it out when I am able. In your Son's Name . . . Amen.

self-control

Dear Lord, as I navigate this week, open my eyes to the options I have to overcome temptation. Help me to make wise choices for myself. Give me strength to exercise self-control with my emotions, my words, and my actions. In your Son's Name . . .
Amen.

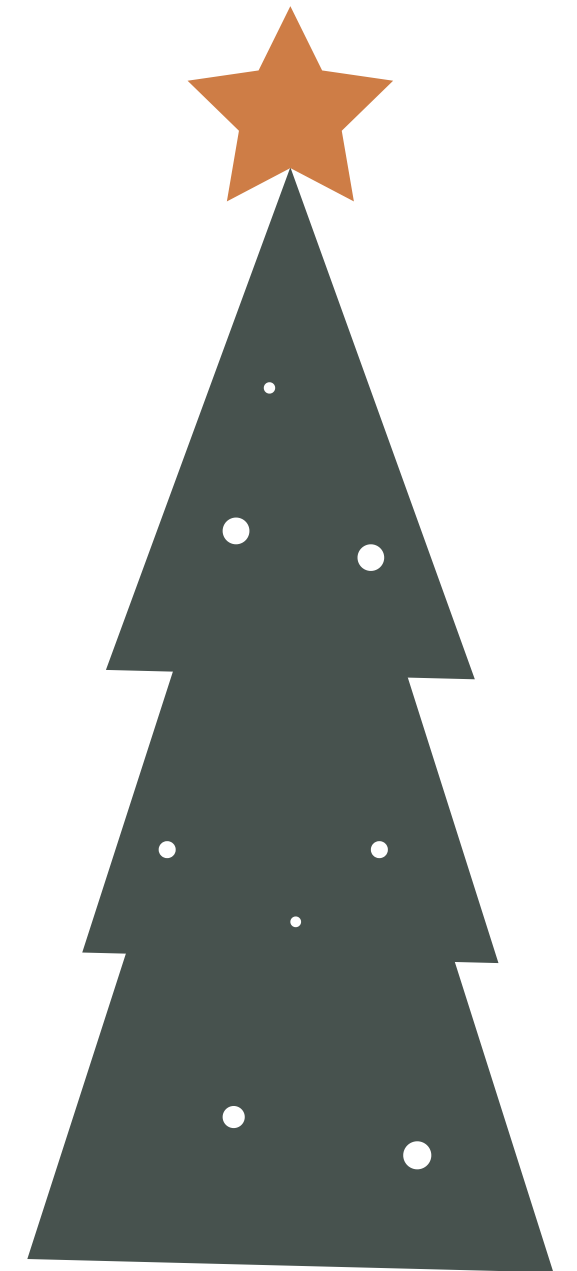

faithfulness

Dear Faithful Father, grant me calm as I feel stressed and anxious. Fill my heart with the truth of your faithfulness. Thank you for your promises and your great love for me. Thank you that I can count on you and that you will never leave me. In your Son's Name I pray . . . Amen.

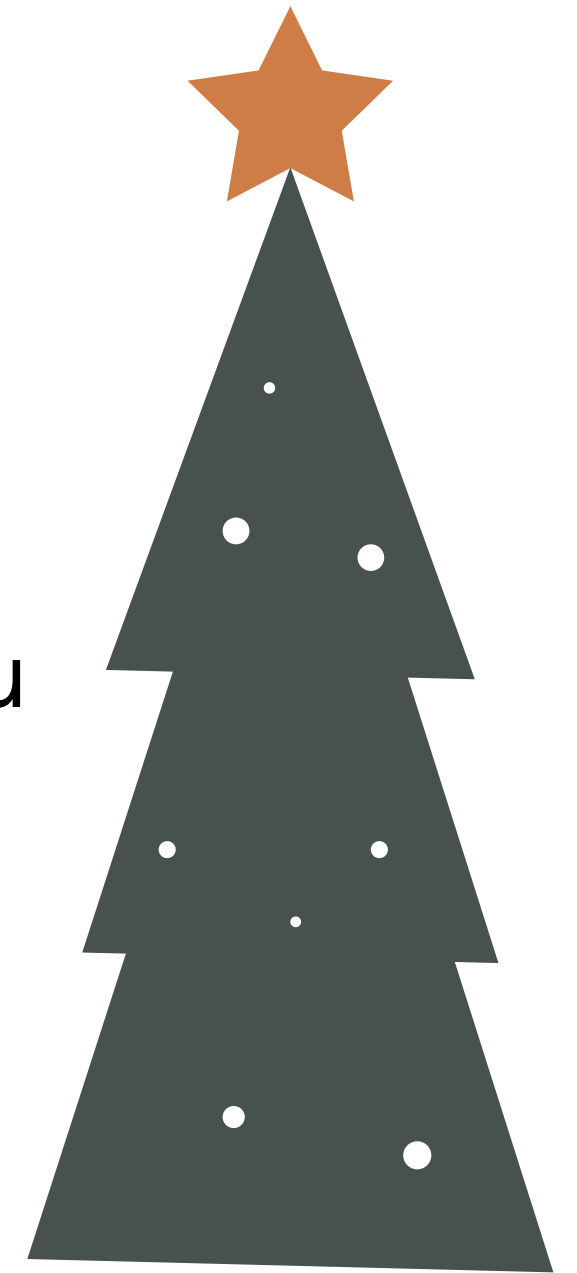

joy

Dear Lord, help me to see the Joy that surrounds me everyday. Move through me so others may see your Joy in me. Thank you for my position and help me to see those in need of your contagious joy. In Your Son's Name I pray . . .
Amen.

peace

Dear God, use me to be a conduit of love and hope to my students, coworkers, and family. When I feel frustrated, please humble me to handle the situation with gentleness. Fill me with your Spirit that I may act in a way that honors you and promotes peace around me. In your Son's Name . . .
Amen.

love

Dear Good, Good Father, thank you for your constant Love for me. Help me to extend your Love every chance I get. When I am down, or scared, or anxious . . . when I feel like I'm not enough . . . help me to remember that you Love every piece of me, no matter what. In Your Son's Name . . . Amen.
